Kathy's Musings

Dear Fellow NCC members,

This is my first letter as your new President. I'd like to reiterate what I said at the November meeting: Thank you for placing your confidence in me and the rest of the Board. We promise to do the best job we can running this chapter. But to do that, we need your help and participation. I truly appreciate the many hours and creative ideas the 2010 Board and committees devoted to offering a wide variety of painting events that the membership enjoyed, but I'd also like to see some of our newer members stepping up to join committees and even leading them. Please look at the committee sign up form (P10) in this newsletter, and let me know what committee(s) you're most interested in. The committee chairmen nominees will be presented at the January Board meeting, and it would be great to have all the positions filled. I'd also like to hear from you if you have ideas about programs you'd want the chapter to present, teachers you'd love to take classes from at seminars, and what you do and don't like about the chapter. I know I could be opening floodgates with that request, but I really mean it. If you have ideas for community service, or how we can bring Decorative Painting awareness to our neighbors, or other creative ideas, please share them. We'd love to hear it. If you'd like to teach at a meeting or paint-in, please let us know. This is your organization, and 2011 should be both educational and fun for the membership. I look forward to serving as your President.

Kathy Bacskay

VICE PRESIDENT'S NOTES

Wasn't that a great seminar with Laurie Speltz? Many thanks to Amanda Davis and the Seminar Committee for putting it on. The secrecy surrounding the identity of the teacher was admirably maintained until the day in spite of all my efforts to prod the names from certain committee members. Everyone seemed to really get into Laurie's free style of "just do it" - no tracing, no transfer paper. Laurie has a very laid back teaching method which made for a very enjoyable experience. And the food!!!! as we say in the Navy, she's a feeder. Superb quality and quantity from appetizers to desserts. If you look at page two, you will see many blanks where names of committee chairs should be - we need members to step up and take charge. We especially need new members who haven't been on or chaired committees to keep the club moving forward. On page 10, is a sign up sheet where you can indicate a willingness to be a committee chair and/or a member. Please select a committee to join, you will get much more out of the club if you actively participate.

FROM THE SEMINAR CHAIR:

First, THANK YOU to all those that attended the Mystery Teacher seminar in November, it was a great deal of fun. I know I had a lot of fun painting with Laurie Speltz (I am sure that many of you have figured out that she is one of my favorite teachers!). I hope to see your finished pieces in the future, as you are some of the best painters I know and each piece had it's very own unique design. I also look forward to seeing the techniques that you each learned in the future. Thanks to everybody that brought things to eat - as a group we all eat very well. Thanks to all that helped with the clean up, setup and just provided all around help to myself and the great seminar committee. Also, as Laurie mentioned, the fandango brushes were provided by FM Brush...If you would to send your thank you's (and suggestions) you can write to: info@fmbrush.com .

Secondly, in March we will be hosting Ms. Sandy LeFlore for three great days of painting. She will be teaching us some absolutely gorgeous pieces and some new/fun techniques. I hope to see you there! Please see the sign-up sheet contained within the newsletter (page 6) for pictures and other information. And you can always email me with any questions that you have - tiggera21@yahoo.com .

Amanda

As noted in both the President and Vice Presidents notes to the club, we are very much in need of filling not only Committee Chair positions but also members to work on these committees.

We realize that all of you has busy lives, but as the old saying goes "Give a busy person a task and it will be done fast and efficiently". Extend yourself this year to help the club.

Our President has asked for any input. Your input is needed NOW, as the new board is putting together the 2011 programs. . Help the club be more of what you are looking for in decorative painting and fun.

Its never to late -but the Founders Medallion form (pg.9)--must be submitted now The Founders Medallion committee would appreciate your nominations for the award. Choose someone whom you feel has given noteworthy service to the club. This is your time to say a special thank you. Please remember them.

To all our friends in the NCC we wish you all the happiest and healthiest of Holidays. Be safe in your travels, enjoy family and friends throughout the season.

Our best to you all.
